RE: We need your support

HDSA Member,

I've got another small challenge for you and I know you won't let me down.

The Sheriff's Museum, that we own and operate, is in serious need of a new roof, new air conditioning along with updated electrical work. We have some of the money needed to start the project, but we still need about \$25,000 to see it through.

I'm asking you to help me with this project by making any size donation. I'll put in my share, but I need your support to make this happen and protect a vital asset of HDSA. I'd like to get this done before the rainy season and I'm counting on you to help me achieve this goal.

To donate towards this vital project call Heather Araiza at the HDSA office, or complete the form below and mail it in the enclosed envelope or donate online at www.sdchdsa.org. Remember too, that your donation is 100% tax deductible.

I'm counting on you!

Thank you,

Tom
