

# Help Support our Youth & Next-Generation Law Enforcement Officers

The San Diego County Sheriff's Office needs our support with several initiatives aimed at youth development and community engagement.

The **\*\*RESPECT Project\*\*** is a character-building and mentoring program for high school students, offering a 16-week academy with ongoing support, resources, and a safe environment.

The **\*\*Rise Above\*\*** program, an 8-week program also for teenagers, focuses on mentorship, education, and community involvement, requiring parent attendance and covering topics like mental wellness and gang prevention.

The **\*\*Deputy Explorer Program\*\*** targets young adults aged 16-20, providing an opportunity for career exploration in law enforcement through direct interaction with deputies, volunteer service, and academy training.

**Our Goal Is to Raise  
\$36k  
for These  
Valuable Programs**

**DONATE TODAY!**
